# Websites for Information on COVID-19

1. Open your internet browser of choice.

2. To go to the California Department of Social Services (CDSS), type in www.cdss.ca.gov in the URL field and hit Enter. You will see Coronavirus Disease (COVID-19) Information on the first page of the website.

    You can find COVID-19 Guidance information as well as the Provider Information Notices (PIN) for more details for our licensees.

3. To go to the Centers for Disease Control and Prevention (CDC), type in www.cdc.gov in the URL field and hit Enter. Click on the link for Learn More About COVID-19 on the first page of the website.

    You can find information on how to protect yourself and what to do if you think you are sick.

4. To go to the California Department of Public Health (CDPH), type in www.cdph.ca.gov in the URL field and hit Enter. Click on the link for Coronavirus Disease 2019 (COVID-19) on the first page of the website.

    You can find daily updates as well as COVID-19 in California by the numbers. There is also information on how people can protect themselves.
